Why Aurora Pharmaceuticals choose Neopac with the Twist'n'use™ tube?

"Neopac was the only packaging partner that could offer our sought-after combination of premium barrier protection, small-dose delivery accuracy, chemical compatibility, and overall manufacturing quality. We are especially thrilled with the innovative dispensing design, which provides direct, hassle-free application of a product that would be otherwise cumbersome to apply."

Richard Mihalik, Director of R&D / Business Development for Aurora Pharmaceuticals, Inc.

The Twist'n'use for Aurora won the Tube of the year GOLD Award 2020 from the Tube Council in the category Best Pharmaceutical Tube
